

GARDENER'S AGREEMENT

(Applicable to all members and plot rentals)

I undertake to:

- ✓ Participate in the site induction.
- ✓ Supervise children at all times.
- ✓ Take all proper safety precautions.
- ✓ Maintain my rental plot and its surrounds in a neat and tidy manner. (If applicable)
- ✓ Consider crop rotation, in communal and rental plots.
- ✓ Use mulch and conserve water.
- ✓ Be considerate of the neighbours and noise levels at all times.
- ✓ Check with the Committee before using power tools or any tools that may disturb the neighbours and other garden users.
- ✓ Always clean tools thoroughly after use and store correctly.
- ✓ Use non-toxic gardening products, unless pre-approved by the Committee, and not introduce plants that would have a noxious or problematic effect.
- ✓ Ensure that sprays or plants do not spread into the garden space of others.
- ✓ Compost all organic matter (except diseased plants and weeds) on site. Non-compostable and non-organic waste is to be disposed of off-site as the City of Kalamunda does not provide bins.
- ✓ Take my litter and recyclable items with me when I leave the garden.
- ✓ Raise issues, hazards, damage, incidents, concerns and ideas with the Committee.
- ✓ Record in the Garden Diary any communal work or observations of note.
- ✓ Contribute in some way to the running of the broader garden.
- ✓ Attend at least two busy bees, and attend and participate in voting at the Annual General Meeting in each year of membership.
- ✓ Respect the neighbours' driveways and verges when parking.
- ✓ Not bring pets into the garden. (Only guide/assisting dogs on a lead are permitted)
- ✓ Not smoke or use illicit drugs in the garden.

I understand that the Kalamunda Community Garden will be overseen by the Committee, and non-compliance may result in termination of my membership without reimbursement of any costs. I also acknowledge that I garden at my own risk and have no claim for misadventure on the Committee or landowners.
