Kalamunda Community Garden Inc

**N**estled in the hills at 8 Lindsay Street, the **Kalamunda Community Garden** shares this beautiful space with an historic homestead. Our garden is now 10 years old (2023) and to grow our thriving venture we are looking for new members. If you like digging the dirt, chatting with like-minded gardeners, learning how to live with nature and grow organic food, this is your place. We invite you and your family to join our community of gardeners, so we can all share and learn from each other, how to SOW, GROW, HARVEST, PREPARE and PRESERVE from the abundance of this fertile garden.
